POLLINATORS IN THE PA WILDS

Join the Elk County Conservation District, Penn State Center for Pollinator Research, PSU Master Gardeners, DCNR, and the Keystone Elk Country Alliance for a day of full of pollinators! Topics such as native plants, planting a pollinator garden, and honey bee research will be discussed.

Cost: Free, lunch provided

When: March 29, 2017 9:00 AM-2:30 PM

Where: Elk Country Visitor Center, Benezette, PA

Financial and other support for the NPS Mini-grant Program is provided by the Pennsylvania Association of Conservation Districts, Inc. through a grant from the Pennsylvania Department of Environmental Protection under Section 319 of the Clean Water Act, administered by the U.S. Environmental Protection Agency
